*You are Rita, and you're in kindergarten now! Your teacher, Ms. Daisy, has asked all the students to think about what they'd like to do during playtime that is both fun and safe. Someone got knocked down yesterday and has a bruised arm and some hurt feelings, too. Now Ms. Daisy isn't even sure there should be playtime at all! In a letter to Ms. Daisy, convince her that your idea for playtime will be safe and fun. Be sure to include a picture of your safe but fun idea.*
