**R.A.F.T.S. PROMPT**

*You are a tree squirrel! You've noticed some deer, birds, and other animals eating your acorns. Don't they know that squirrels and acorns work together?! They provide food for you, and you make sure that seeds are planted so there will always be oak trees. You've decided to make a poster to put up on your local oak trees to show other animals just how important the acorns are to you.*

**Role:** Tree squirrel

**Audience:** Other animals

**Format:** Poster

**Topic:** How squirrels and acorns work together

**Strong Verb:** *show*
