

Whole-Group Decodable Text Routine

Before Reading

- Give students 1-2 minutes to highlight target skills words in the text.
- Have students read highlighted words as a class, with a partner, or independently.

During Reading

- Invite students to choral read the text as a class or with partners.

After Reading

- Have student retell the story and answer questions about the text.

To create a reminder card, print on card stock and/or laminate. Trim to desired size.
