Discover this poignant, timely, and emotionally stirring picture book, an ode to black and brown children everywhere that is full of hope, assurance, and love.

Tami Charles pens a poetic, lyrical text that is part love letter, part anthem, assuring readers that they always have, and always will, matter. This powerful, rhythmic lullaby reassures readers that their matter and their worth is never diminished, no matter the circumstance: through the joy and wonder of their first steps and first laughs, through the hardship of adolescent struggles, and the pain and heartbreak of current events, they always have, and always will, *matter*. Accompanied by illustrations by renowned artist Bryan Collier, a four-time Caldecott Honor recipient and a nine-time Coretta Scott King Award winner or honoree, *All Because You Matter* empowers readers with pride, joy, and comfort, reminding them of their roots and strengthening them for the days to come.

Lyrical, personal, and full of love, *All Because You Matter* is for the picture book audience what *The Hate U Give* was for YA and *Ghost Boys* was for middle grade: a conversation starter, a community touchstone, and a deep affirmation of worth for the young readers who need it most.

Contributor Bio

Tami Charles is a former teacher and full-time author of picture books, middle grade and young adult novels, and nonfiction. As a teacher, she made it her mission to introduce her students to all types of literature, but especially diverse books. While it was refreshing to see a better selection than what she was accustomed to as a child, Tami felt there weren't nearly as many diverse books as she'd hoped for. It was then that she decided to reignite her passion for writing. Tami is the author of middle grade novels *Like Vanessa* and *Definitely Daphne*; *Becoming Beatriz*, a YA novel; and the picture book *Freedom Soup*.

Bryan Collier loves to paint. He has successfully channeled his creative energy and love of art into an illustrious career as a children's book illustrator and writer. He began painting at the age of fifteen and eventually landed a scholarship to attend Pratt Institute in New York. The Coretta Scott King Awards praised Collier's work in 2001, 2002, 2003, and 2006, and he has won the Caldecott Honor for *Dave the Potter*, *Martin's Big Words*, and *Rose*. Cat Kid Comic Club: From the Creator of Dog Man

Dav Pilkey

A pioneering new graphic novel series by Dav Pilkey, the author and illustrator of the internationally bestselling Dog Man and Captain Underpants series.

In *Cat Kid Comic Club*, Li'l Petey, Flippy, and Molly introduce twenty-one rambunctious, funny, and talented baby frogs to the art of comic making. As the story unwinds with mishaps and hilarity, readers get to see the progress, mistakes, and improvements that come with practice and persistence.

Squid Kid and Katydid, *Baby Frog Squad*, *Monster Cheese Sandwich*, and *Birds Flowers Tree: A Haiku Photo Comic* are just some of the mini-comics that are included as stories-within-the-story, each done in a different style, utilizing humor and drama, prose and poetry, illustrated in different media including acrylics, pastels, colored pencils, felt-tip markers, clay, hand-made cardboard sculptures, photographs, pipe cleaners, construction paper collages, and cookies.

Readers of all ages will be inspired to dream up their own stories and unleash their own creativity as they dive into this new graphic novel adventure from Dav Pilkey and his heartfelt, humorous, and amazing cast of characters in the Cat Kid Comic Club.

In college, Dav met a teacher who encouraged him to illustrate and write. He won a national competition in 1986 and the prize was the publication of his first book, *World War Won*. He made many other books before being awarded the 1998 California Young Reader Medal for *Dog Breath*, which was published in 1994, and in 1997 he won the Caldecott Honor for *The Paperboy*. *The Adventures of Super Diaper Baby*, published in 2002, was the first complete graphic novel spin-off from the *Captain Underpants* series and appeared at #6 on the *USA Today* bestseller list for all books, both adult and children's, and was also a *New York Times* bestseller. It was followed by *The Adventures of Ook and Gluk: Kung-Fu Cavemen from the Future* and *Super Diaper Baby 2: The Invasion of the Potty Snatchers*, both *USA Today* bestsellers. The unconventional style of these graphic novels is intended to encourage uninhibited creativity in kids. Orientation (Marvel: Avengers Assembly #1)

Preeti Chhibber, James Lancett

A diverse cast of characters -- Kamala Khan (Ms. Marvel), Miles Morales (Spider-Man), and Doreen Green (Squirrel Girl) -- team up in their first-ever middle-grade series told through comics, in-world artifacts, and more!

Kamala Khan was an average middle school kid. That is, until a cloud called a Terrigen Mist swept through the New Jersey waterfront and activated her super powers! After taking on the persona of Ms. Marvel, she's been fighting crime in Jersey City, and has caught the eye of some pretty well-established super heroes. But that's not always a good thing...

After Kamala is caught by news cameras taking on a super villain -- and accidentally destroying a building along the way -- she gets a letter from Captain Marvel herself! It's great that she's fighting crime and sticking up for people, but maybe a regular school isn't the best place to learn how to do that. If she wants to continue as Ms. Marvel, she's going to need to take on some new extracurricular activities -- mainly, training with other young super heroes alongside the Avengers!

Now Kamala is the new kid at the Avengers Institute. Her classmates are all kids like her, they have special powers, but most of them have gotten into some trouble or drawn attention to themselves. The big news at the Avengers Institute this year? An academic decathlon in which students will group up into teams and compete against each other in super heroics. Kamala and her friends Miles and Doreen will have to go up against a team led by some kids who fight less than fair -- and have some trouble with the concept of "fighting for good" -- in this funny, action-packed look at some ordinary middle school kids who just happen to have some extraordinary powers.

Preeti Chhibber, James Lancett

A group of new teachers arrives at Avengers Assembly, and not everyone is who they seem!

Kamala, Doreen, and Miles are back at Avengers Assembly for a new semester! When Captain Marvel announces she's adding staff to the school, the students aren't sure who could possibly join -- but it looks like Cap went above and beyond, and the school is full of new teachers!

With all these new teachers, it's hard to keep track of who's teaching what, and what they're supposed to be learning. And some of these teachers are really not acting like heroes at all, but more like... super-villains? All that new staff has created a lot of confusion that is ripe for exploiting! Someone is impersonating students and teachers, using lies and deception to break up the new generation of heroes. Can Doreen and her friends get to the bottom of this scandal? Or will this be the end of the Avengers Assembly?

Derek Fridolfs, Dustin Nguyen

Lost in a strange dimension where up is down and left is right, the Fetch twins must find a way to make it back to their own world in this one-of-a-kind illustrated novel from the *New York Times* bestselling graphic novel team of Dustin Nguyen and Derek Fridolfs.

Twins Atticus and Esmeralda Fetch are the best pet finders in Thorns Hollow -- a town where people have a lot of pets, and those pets often get lost. But being bandmates—and maybe *more* than bandmates?—is hard enough as it is! Can Julie, Luke, Reggie, and Alex keep playing gigs and growing their fan base without anyone figuring out their big secret?

This exclusive *Julie and the Phantoms* story is told in alternating points of view and comes with a full-color pull-out locker poster!

I Am Defiance

A Novel of WWII

Jenni L. Walsh

Jenni L. Walsh delivers a gripping story about a real-life youth resistance group in World War II Germany, and about the power of thinking for yourself in the fight against hatred.

Brigitte tries not to ask questions. They don't seem very welcome at her League of German Girls meetings, where she and her friends learn about their duties to Hitler's war effort.

But she can't help asking questions when a mysterious pamphlet appears in her mailbox: a pamphlet full of words like resistance and freedom, from a group that calls itself the White Rose. Brigitte's father and older sister, Angelika, seem to agree with the forbidden papers -- an opinion that is dangerous even to whisper at home. And when Angelika becomes involved with secret resistance efforts, Brigitte's questions only bloom.

Could Angelika be connected to the White Rose? Is Brigitte's family in danger of being arrested? And if she chooses a side, will Brigitte be able to take a stand?

Crocodile Rescue! (Wild Survival #1)

Melissa Cristina Márquez

For fans of *The Trail*, *Out of My Shell*, and *The Honest Truth*, *Wild Survival* is the story of a girl finding her voice . . . and fighting for survival.

Twelve-year-old Adrianna Villalobos and her older brother Feye travel the globe with their parents, the hosts of a suspenseful nature show called "Wild Survival!" The show features daring animal rescues and the work the family does at their animal sanctuary. They've recently gotten an offer to take the show from YouTube to a TV network, and Adrianna is thrilled. So far, she's always been behind the scenes, but now she gets to join the rest of her family onscreen. She can't wait to bring her passion for animals to a wide audience.

Their first stop is the lush mangrove forests of Cuba, where they're going to help rescue an injured crocodile. But things get off to a rocky start when Feye is injured in an accident partially caused by Adrianna. The status of the show is in jeopardy, and Adrianna's parents want her back behind the scenes, or maybe even back at home.

Adrianna is determined to prove herself, and save the show-whatever it takes. Even if that means confronting the legendary Mega Croc of Cuba that's rumored to inhabit the murky waters around their base camp.

Based on the author's real-life wildlife encounters, this middle-grade series will include real animal facts, light illustration of the creatures mentioned in each book, and an Author's Note from Melissa.

Sarah Mlynowski, Lauren Myracle, Emily Jenkins

Meet the Upside-Down Magic kids in the first topsy-turvy adventure of this New York Times bestselling series, now a Disney Channel Original Movie!

It's never easy when your magic goes wonky. For Nory, this means that instead of being able to turn into a dragon or a kitten, she turns into both of them at the same time—a dritten.

For Elliott, the simple act of conjuring fire from his fingertips turns into a fully frozen failure.

For Andres, wonky magic means he's always floating in the air, bouncing off the walls, or sitting on the ceiling.

For Bax, a bad moment of magic will turn him into a . . . actually, he'd rather not talk about that.

Nory, Elliott, Andres, and Bax are just four of the students in Dunwiddle Magic School's Upside-Down Magic class. In their classroom, lessons are unconventional, students are unpredictable, and magic has a tendency to turn wonky at the worst possible moments. Because it's always amazing, the trouble a little wonky magic can cause . . .

One Small Hop

Madelyn Rosenberg

Perfect for fans of Carl Hiaasen's classic *Hoot*, this humorous adventure story set in a not-so-distant future celebrates the important differences we can make with small, brave acts.

When Ahab and his friends find a bullfrog in their town -- a real, *live* bullfrog, possibly the last bullfrog in North America -- they have several options:

Report it to the Environmental Police Force. Too bad everyone knows the agency is a joke.

Leave it be. They're just a bunch of kids -- what if they hurt it by moving it?

Find another real, live bullfrog on the black market. Convince their parents to let them bike to Canada. Introduce the two frogs. Save all of frogkind.

Ahab convinces the rest of the group that C is their only real option. Because if they don't save this frog, who will? Their quest, which will involve fake ice cream, real frog spawn, and some very close calls, teaches Ahab that hope is always the logical choice and that science is always better with friends.

With humor and empathy, acclaimed author Madelyn Rosenberg builds an all-too-imaginable future ravaged by climate change, where one kid can still lean on his friends and dream up a better tomorrow.

Sparrow Rising (Skyborn #1)

Jessica Khoury

Jessica Khoury brings her masterful world-building and emotional depth to a brand-new fantasy series. In a world where everyone is born with wings, stone monsters prowl the skies, hunting those who dare to fly too high.

In the Clandoms, everyone is born with wings, with tight-knit communities formed around bird types: Jay, Falcon, Crow.

Ellie Meadows dreams of growing up to join the Goldwings -- the famed knights who defend all the people of the Clandoms. It was a Goldwing, after all, who saved her life on that terrible day her parents were killed. There's just one problem: Ellie is a Sparrow, and the Goldwings are almost invariably picked from the higher clans like Eagles and Ospreys. This rigid hierarchy means that Ellie is destined to become a farmer.

Determined to honor her parents' memories and prove herself worthy of the Goldwings, Ellie sets out on her own for the capital. But her journey will be dangerous. Foul creatures called gargols lurk behind every cloud, ready to slay anyone unlucky enough to be caught outside in a storm -- just as Ellie's family was.

Soon her path intertwines with a colorful band of fellow outcasts, each with their own aspirations... and their own secrets. Ellie's new friends offer not just roadside companionship. They'll challenge her ideas of right, wrong, and what truly makes a hero.

Which is a problem because (a) Felipe has had a crush on Caio since, well, forever; and (b) Felipe has a list of body image insecurities and absolutely NO idea how he's going to handle them while sharing a room with his lifelong crush.

Suddenly, the days that once promised rest and relaxation (not to mention some epic Netflix bingeing) are a gauntlet of every unresolved issue in Felipe's life. But if he can overcome his insecurities, then maybe -- just maybe -- this break won't turn out to be such a disaster after all . . .

Where We Go From Here

Lucas Rocha, Larissa Helena

An absorbing debut novel about three gay friends in Brazil whose lives become intertwined in the face of HIV, perfect for fans of Adam Silvera and Bill Konigsberg.

Ian has just been diagnosed with HIV.

Victor, to his great relief, has tested negative.

Henrique has been living with HIV for the past three years.

When Victor finds himself getting tested for HIV for the first time, he can't help but question his entire relationship with Henrique, the guy he has -- *had* -- been dating. See, Henrique didn't disclose his positive HIV status to Victor until *after* they had sex, and even though Henrique insisted on using every possible precaution, Victor is livid.

That's when Victor meets Ian, a guy who's also getting tested for HIV. But Ian's test comes back positive, and his world is about to change forever. Though Victor is loath to think about Henrique, he offers to put the two of them in touch, hoping that perhaps Henrique can help Ian navigate his new life. In the process, the lives of Ian, Victor, and Henrique will become intertwined in a story of friendship, love, and self-acceptance.

Set in Rio de Janeiro, Brazil, this utterly engrossing debut by Brazilian author Lucas Rocha calls back to Alex Sanchez's Rainbow Boys series, bringing attention to how far we've come with HIV, while shining a harsh light on just how far we have yet to go.

Caster

Elsie Chapman

Avatar: The Last Airbender meets Fight Club in this action-packed fantasy about a secret, underground magic fighting tournament.

If the magic doesn't kill her, the truth just might.

Aza Wu knows that real magic is dangerous and illegal. After all, casting killed her sister, Shire. As with all magic, everything comes at a price. For Aza, it feels like everything in her life has some kind of cost attached to it. Her sister had been casting for money to pay off Saint Willow, the gang leader that oversees her sector of Lotusland. If you want to operate a business there, you have to pay your tribute. And now with Shire dead, Aza must step in to save the legacy of Wu Teas, the teahouse that has been in her family for centuries.

When Aza comes across a secret invitation, she decides she doesn't have much else to lose. She quickly realizes that she's entered herself into an underground casting tournament, and the stakes couldn't be higher. Real magic, real consequences. As she competes, Aza fights for her life against some very strong and devious competitors.

When the facts about Shire's death don't add up, the police start to investigate. When the tributes to Saint Willow aren't paid, the gang comes to collect. When Aza is caught sneaking around with fresh casting wounds, her parents are alarmed. As Aza's dangerous web of lies continues to grow, she is caught between trying to find a way out and trapping herself permanently.

Spell Starter (A Caster Novel)

Elsie Chapman

The Sting meets Fight Club in this magical, action-packed sequel to Caster by Elsie Chapman.

Every spell cast needs a starter.

Aza Wu now has magic back. But like all things in her life, it has come at a great cost. After winning the Tournament of Casters, Aza is able to pay off her parents' debt to Saint Willow. But the price of the gathered spell she used to strip Finch of his magic has put her permanently in the employ of the gang leader. And the magic that has been returned to her is not her own.

Aza is forced to use this magic, stolen and unpredictable, to do Saint Willow's dirty work. But the gang leader is ambitious and power-obsessed, and she always seems to have a larger plan. Aza knows that if Saint Willow can benefit, it doesn't matter who gets hurt along the way.

Forced into a dangerous new situation, Aza will have to reckon with the choices she's made and the unstable magic she wields. If she can find a way out of Saint Willow's hold, she just might survive. That is, if her casting doesn't finally consume her.

Everyone knows the characters from *Riverdale*: popular Archie Andrews, girl-next-door Betty Cooper, angsty Jughead Jones, and the sophisticated Veronica Lodge. But this is not the Riverdale you know and love. Something twisted has awoken in the town with pep. Inspired by the iconic Archie Horror comics, this reimagined universe takes the grittiness of the TV show and adds a paranormal twist.

Someone is killing the citizens of Riverdale. And after a bloody full moon, Jughead realizes *he* is the killer! Jughead is a werewolf. Can he keep this secret from his friends -- including werewolf-hunting Betty Cooper? Jughead has to get his dark side under control -- before *it* is controlling *him*.

Interview with the Vixen (Archie Horror)

Rebecca Barrow

High school bites-especially when you want to kill your classmates. Check out this original horror novel featuring Archie Comics characters!

Everyone knows the characters from *Riverdale*: popular Archie Andrews, sophisticated Veronica Lodge, girl-next-door Betty Cooper, and angsty Jughead Jones. But this is not the *Riverdale* you know and love. Something twisted has awoken in the town with pep. Inspired by the iconic Archie Horror comics, this reimagined universe takes the grittiness of the TV show and adds a paranormal twist.

Everyone thinks that Veronica Lodge has it all: the rich parents and the big house. The popular jock crush. The perfect best friend. But all that changes when she's bitten by an ancient vampire named Theodore Finch.

Theodore is turning all of *Riverdale*'s most powerful citizens into vampires-including Veronica's parents. But that's only the beginning of what he has planned... Veronica escapes from becoming one of Theodore's minions, but the lives of the entire town are at stake. Veronica can't defeat him alone.

With some help from her friends, Veronica discovers how to turn everyone back to normal-including herself. All they have to do is kill Theodore. But Veronica's bloodlust is getting harder to control. Can Betty, Archie, Dilton, and Cheryl figure out how to stop Theodore-and save Veronica-before it's too late?

The Archie Horror series contains all-new, original stories that fans of horror AND fans of *Riverdale* will die for!

Storm Warning (gen:LOCK)

Melissa Scott

The first-ever novel for *gen:LOCK*, the hit animated sci-fi series starring Michael B. Jordan, Dakota Fanning, David Tennant, and Maisie Williams!

The last few months have been a whirlwind for Cammie MacCloud. Ever since she agreed to join the *gen:LOCK* program to help fight the Union, an authoritarian force threatening the world, she's been struggling to find her place in the group. As a 17-year-old genius hacker, she doesn't really fit in among the other four recruits: She can't shoot, she isn't the most graceful in the field, and her brash style doesn't exactly jibe with Command.

But Cammie notices things the others don't, and she has the skills to investigate when something feels off... like their latest mission, which finds them stranded at the center of a deadly storm with a Union spy in their midst.

Don't miss this epic, original novel from multiple award-winning author Melissa Scott and the *gen:LOCK* team!

Sisters of the War: Two Remarkable True Stories of Survival and Hope in Syria

Rania Abouzeid

An extraordinary true account of the enormous tragedy of the Syrian civil conflict.

Since the revolution-turned-civil war in Syria began in 2011, over 500,000 civilians have been killed and more than 12 million Syrians have been displaced. Rania Abouzeid, one of the foremost journalists on the topic, follows two pairs of sisters from opposite sides of the conflict to give readers a firsthand glimpse of the turmoil and devastation this strife has wrought. Sunni Muslim Ruha and her younger sister Alaa withstand constant attacks by the Syrian government in rebel-held territory. Alawite sisters Hanin and Jawa try to carry on as normal in the police state of regime-held Syria. The girls grow up in a world where nightly bombings are routine and shrapnel counts as toys. They bear witness to arrests, killings, demolished homes, and further atrocities most adults could not even imagine. Still, war does not dampen their sense of hope.

Through the stories of Ruha and Alaa and Hanin and Jawa, Abouzeid presents a clear-eyed and page-turning account of the complex conditions in Syria leading to the onset of the harrowing conflict. With Abouzeid's careful attention and remarkable reporting, she crafts an incredibly empathetic and nuanced narrative of the Syrian civil war, and the promise of progress these young people still embody.

Contributor Bio

Rania Abouzeid has written for *TIME*, *The New Yorker*, *National Geographic*, *Politico*, *The Guardian*, the *Los Angeles Times*, and a host of other publications. She is a print and television journalist, fluent in Arabic, who has been honored with numerous awards, including the 2015 Michael Kelly Award, the 2014 George Polk Award for Foreign Reporting, and the 2013 Kurt Schork Award in International Journalism.
