Harry Potter: Squishy: Bravery and Friendship **Samantha Swank**

When Harry first arrives at Hogwarts School of Witchcraft and Wizardry at just eleven years old, he's sorted into Gryffindor House, where the brave and bold learn to hone their magic. Throughout the films, Harry proves his bravery through a series of encounters with Lord Voldemort: from the quest for the Sorcerer's Stone, all the way through to the epic Battle of Hogwarts. Despite all his quest, Harry never fails to be a good friend, too!

Fill in prompts, activities, and more in this fun-filled bravery-themed book. Learn how to draw Godric Gryffindor, the founder of Gryffindor House; write about the bravest thing you've ever done, and discover what you'd pull out of the Sorting Hat if you were in peril. This guided book also includes an adorably squishy Harry on the front cover!

Raina Telgemeier Collection Box Set

Raina Telgemeier

A box set of Raina Telgemeier's bestselling, award-winning graphic novels about family, friendship, and the highs and lows of growing up!

Smile

The true story of how Raina severely injured her two front teeth when she was in the sixth grade, and the dental drama that followed!

Drama

Callie is the set designer for her middle school's spring musical, and is determined to create a set worthy of Broadway. Both onstage AND offstage drama ensues!

Sisters

Raina can't wait to be a big sister. Amara is cute, but she's also cranky and mostly prefers to play by herself. Their relationship doesn't improve much over the years...can they figure out how to get along?

Ghosts

Catrina and her family move to a new town because her sister, Maya, is sick. When they learn there are ghosts there, Maya wants to meet one, and Cat must put aside her fears for Maya's sake—and her own.

Guts

Raina has tummy trouble, and it seems to coincide with her worries about food, school, family, and changing friendships. A thoughtful, charming, and funny true story about growing up and gathering the courage to face—and eventually conquer—fear.

Finding Home

Estelí Meza

A powerful socio-emotional picture book about friendship and courage in the face of hardship.

When Conejo's house blows away in a storm, his friends and neighbors take turns helping him look for it. Though they do not find his house, they each send him on his way with good cheer and small gifts. Conejo is grateful for their support, but still finds himself sitting with sadness for some time. When the rain clears, Conejo finds the courage to rebuild and fill his new home with the memories, love, and support he collected from his friends along the way.

Let Liberty Rise!

Chana Stiefel

How did 121,000 Americans save their most beloved icon? Here is an inspiring story about the power we have when we all work together!

On America's 100th birthday, the people of France built a giant gift! It was one of the largest statues the world had ever seen—and she weighed as much as 40 elephants! And when she arrived on our shores in 250 pieces, she needed a pedestal to hold her up. Few of America's millionaires were willing to foot the bill.

Then, Joseph Pulitzer (a poor Hungarian immigrant-cum-newspaper mogul) appealed to his fellow citizens. He invited them to contribute whatever they could, no matter how small an amount, to raise funds to mount this statue. The next day, pennies, nickels, dimes, and quarters poured in. Soon, Pulitzer's campaign raised enough money to construct the pedestal. And with the help of everyday Americans (including many thousands of schoolchildren!) the Statue of Liberty rose skyward, torch ablaze, to welcome new immigrants to a life of freedom and opportunity!

The Little Blue Bridge

Brenda Maier

Ruby's mind is always full of ideas.

One day, she spies some blueberries across the creek and invites her brothers to pick some. Unfortunately, the bridge is blocked by scary Santiago.

"I'm the boss, and you can't cross...unless you give me a snack," he demands.

One by one, the brothers scamper across, promising Santiago that the next sibling has a better snack. When at last it's Ruby's turn, she refuses to be bullied and creates her own way to cross the creek.

This modern spin on a classic tale weaves folklore, feminism, STEM, and a Latinx cast into a delightful read-aloud that celebrates creativity and building bridges of friendship and community.

The Magical Reality of Nadia

Bassem Youssef, Catherine R. Daly

Inspired by the author's real life experiences, this rollicking, charming novel follows sixth grade Egyptian immigrant Nadia as she navigates the ups and downs of friendships, racism, and some magic, too!

Nadia loves fun facts. Here are a few about her:

- She collects bobbleheads—she has 77 so far.
- She moved from Egypt to America when she was six years old.
- The hippo amulet she wears is ancient...as in it's literally from ancient Egypt.
- She's going to win the contest to design a new exhibit at the local museum. Because how cool would *that* be?!

(Okay, so that last one isn't a fact just yet, but Nadia has plans to make it one.)

But then a new kid shows up and teases Nadia about her Egyptian heritage. It's totally unexpected, and totally throws her off her game.

And something else happens that Nadia can't explain: Her amulet starts glowing! She soon discovers that the hippo is holding a hilarious—and helpful—secret. Can she use it to confront the new kid and win the contest?

Includes sections of black-and-white comics as well as lively black-and-white illustrations throughout.

Fate: The Winx Saga Tie-in Novel

Ava Corrigan

Don't miss this bold new reinvention of the classic animated Winx Club series! This is the first YA novel based on the new NETFLIX series *Fate: The Winx Saga*. It is a retelling of the first season packed with bonus scenes and character backstory not seen on the show.

At the Alfea International School, students come from all over the Otherworld to train. To learn magic. To discover how to control their powers. Inside the school's castle, five students—complete strangers—are assigned as roommates:

Aisha is an athlete and a classic overachiever whose control over water is the envy of her fellow students.

Terra is an awkward do-gooder whose power over the natural world can overwhelm rivals unexpectedly.

Musa is an introvert who keeps to herself so her mind isn't overwhelmed by the emotions of those around her.

Stella is a princess—yes, a real princess—whose command over light inspires but also intimidates.

And then there's **Bloom**, the outsider, the girl from the human world whose power over fire almost destroyed her family.

These five teenagers want what every teenager wants...to figure out who they are. To make friends. To fit in at their new school. But when an ancient, long-vanquished evil suddenly resurfaces outside the castle walls, these five teenagers be forced to put their powers to the test. And they'll discover a secret so powerful, it will challenge everything they know about the Otherworld...and themselves.

You Are Enough

Margaret O'Hair, Sofia Sanchez

It can be hard to be different—whether it's because of how you look, where you live, or what you can or can't do. But wouldn't it be boring if we were all the same? Being different is great! Being different is what makes you YOU.

This inclusive and empowering picture book from Sofia Sanchez—an 11-year-old model and actress with Down syndrome—reminds readers how important it is to embrace your differences, be confident, and be proud of who you are. Imagine all of the wonderful things you could do if you don't let anyone stop you! You are enough just as you are.

Sofia is unique, but her message is universal: We all belong. So each spread features beautiful, full-color illustrations of a full cast of kid characters with all kinds of backgrounds, experiences, and abilities.

This book also includes back matter with a brief bio of Sofia and her journey so far, as well as additional information about Down syndrome and how we can all be more accepting, more inclusive, and more kind.

Marvel Avengers Assembly #2: The Sinister Substitute

Preeti Chhibber

Kamala, Doreen, and Miles are back at Avengers Assembly for a new semester! When Captain Marvel announces she's adding staff to the school, the students aren't sure who it could possibly be—but it looks like Cap went above and beyond, and the school is full of new teachers!

With all these new teachers, it's hard to keep track of who's teaching what, and what they're supposed to be learning. And some of these teachers are really not acting like heroes at all, but more like...super-villains? All the new staff have created a lot of confusion that is ripe for exploiting! Someone is impersonating students and teachers, using lies and deception to break up the new generation of heroes. Can Doreen and her friends get to the bottom of this scandal? Or will this be the end of the Avengers Assembly?

In the shadows, trouble is brewing...

When Starflight is taken by his own tribe, he hopes to at least discover some of the long-held NightWing secrets—what magical powers they really have, who they're allied with in the war, and where they've been living all this time.

But the truth about Starflight's tribe is more terrible than he ever imagined: not only do the NightWings live in a dark, miserable place, but they've imprisoned several innocent RainWings there, too. Stranded and alone, Starflight only wants to get back to his friends. But the fate of two kingdoms now rests in his talons, and with no one to save him, Starflight will have to find a way to be brave...before it's too late.

The Grand Escape: The Greatest Prison Breakout of the 20th Century

Neal Bascomb

At the height of World War I, as battles raged in the trenches and in the air, another struggle for survival was being waged in the most notorious POW camp in all of Germany: Holzminden. A landlocked Alcatraz of sorts, it was home to the most troublesome Allied prisoners—who were also the most talented at escape. *The Grand Escape* tells the remarkable tale of a band of pilots who pulled off an ingenious plan and made it out of enemy territory in the biggest breakout of WWI, inspiring their countrymen in the darkest hours of the war.

Separate No More: The Long Road to Brown v. Board of Education

Lawrence Goldstone

Since 1896, in the landmark outcome of *Plessy v. Ferguson*, the doctrine of "separate but equal" had been considered acceptable under the United States Constitution. African American and white populations were thus segregated, attending different schools, living in different neighborhoods, and even drinking from different water fountains. However, as African Americans found themselves lacking opportunity and living under the constant menace of mob violence, it was becoming increasingly apparent that segregation was not only unjust, but dangerous.

Fighting to turn the tide against racial oppression, revolutionaries rose up all over America, from Booker T. Washington to W.E.B. Du Bois. They formed coalitions of some of the greatest legal minds and activists to carefully strategize combatting the racist judicial system. These efforts would be rewarded in several groundbreaking cases litigated from 1952-1954, known collectively as *Brown v. Board of Education of Topeka*, in which the US Supreme Court would decide, once and for all, the legality of segregation—and on which side of history the United States would stand.

Ikigai for Teens: Finding Your Reason for Being

Héctor García, Francesc Miralles

A bestselling motivational book based on the Japanese concept of finding happiness in everyday life, now for young readers!

The Japanese people say everybody has an "Ikigai," or a reason to live. Some people have found their Ikigai and are aware of it. Other people have it within, but have not uncovered it yet. This concept, Ikigai, is one of the secrets for a long, active, and happy life.

Héctor García and Francesc Miralles visited Ogimi, a town on the north of Okinawa in Japan that has the highest longevity in the world. They spent weeks living with the residents of Ogimi and interviewing dozens of the villagers. These people had all lived to be more than a hundred years old, they were all in great physical (and spiritual) shape. After their trip, Héctor and Francesc wrote a book examining the centenarians' keys to an optimistic and vital existence. What do the oldest people in the world eat, what do they work on, how do they connect with others, and the best-kept secret—how do they find their Ikigai? Knowing their Ikigai is what gives them satisfaction, happiness and brings real meaning to their lives.

We Must Not Forget: Holocaust Stories of Survival and Resistance

Deborah Hopkinson

As World War II raged, millions of young Jewish people were caught up in the horrors of the Nazis' Final Solution. Many readers know of Adolf Hitler and the Nazi state's genocidal campaign against European Jews and others of so-called "inferior" races. Yet so many of the individual stories remain buried in time. Of those who endured the Holocaust, some were caught by the Nazis and sent to concentration camps, some hid right under Hitler's nose, some were separated from their parents, some chose to fight back. Against all odds, some survived. They all have stories that must be told. They all have stories we must keep safe in our collective memory.

With archival images and myriad interviews, this compelling and beautifully told addition to Holocaust history not only honors the courage of the victims, but calls young readers to action—by reminding them that heroism begins with the ordinary, everyday feat of showing compassion toward our fellow citizens.

The Beekeepers: How Humans Changed the World of Bumble Bees

Dana L. Church

Dive deep into the world of this everyday insect—and the science behind its uncertain future.

Bumble bees are as familiar to most of us as the flowers these fuzzy insects feed upon. But did you know that the bees in your garden could be escapees from a local greenhouse, or descended from stowaways on a Viking ship?

Bumble bees are a vital part of our lives and Earth's ecosystems, so much so that we've commercialized their breeding and shipped them across states, countries, and ecosystems for our benefit. However, all of that human interference has consequences. Bumble bees are pushing out native species and altering ecosystems worldwide. Pesticide use has led to the spread of disease in local colonies. And some species may be disappearing entirely.

The Beekeepers is an expertly researched overview of bumble bees—from hive hierarchies to how their brains work—and the passionate humans and scientists who are fighting for their survival. With a thoughtful and accessible voice, researcher Dana Church introduces readers to the fascinating world of bumble bees, how and why some are thriving while others are floundering, and how both experts and regular citizens are working to ensure their future. Equal parts endearing, frustrating, and hopeful, this scientific narrative is essential for readers looking to understand and make an impact on our changing world.

The Winter Room

Gary Paulsen

Two brothers, one family, and an unexpected secret revealed on a cold winter's night...

Following the turn of the seasons, eleven-year-old Eldon traces the daily routines of his life on a farm and his relationship with his older brother, Wayne. During the winter, with little work to be done on the farm, Eldon and Wayne spend the quiet hours with their family, listening to their Uncle David's stories. But Eldon soon learns that, although he has lived on the same farm, in the same house as his uncle for eleven springs, summers, and winters, he hardly knows him. When Uncle David tells the story of "The Woodcutter," Eldon immediately understands that this story is different from any other. It is a powerful and terrible story that changes everything for the brothers.

Rescue Dogs #4: Gem

Jane B. Mason, Sarah Hines-Stephens

Gem is a golden retriever puppy who loves to dig. She gets adopted out to a handful of would-be forever families, but no matter how much she wants to please her new people, she can't keep herself from digging up the roses...and the lawn...and the couch cushions...anything that's remotely diggable. Over and over she is returned to the shelter, unwanted and heartbroken.

The folks at the Sterling Center recognize Gem's favorite activity as an asset. A dog this driven could really shine in a disaster! But soon after she arrives at the training facility, Gem gets sick...*really* sick. Will she recover and stay healthy enough to save lives?

Focused

Alyson Gerber

Clea can't control her thoughts. She knows she has to do her homework...but she gets distracted. She knows she can't just say whatever thought comes into her head...but sometimes she can't help herself. She knows she needs to focus...but how can she do that when the people around her are always chewing gum loudly or making other annoying noises?

It's starting to be a problem—not just in school, but when Clea's playing chess or just hanging out with her best friend. Other kids are starting to notice. When Clea fails one too many tests, her parents take her to be tested, and she finds out that she has ADHD, which means her attention is all over the place instead of where it needs to be.

Clea knows life can't continue the way it's been going. She's just not sure how you can fix a problem that's all in your head. But that's what she's going to have to do, to find a way to focus.

Some Bunny to Love

Michelle Schusterman

Laura Rodriguez's pet bunny, Evie, is kind of a star: She's the mascot of the Rodriguez family's corner bodega in Harlem. Local residents stop by the small store every day just to see Evie. And even though people tend to make Evie nervous, Evie knows she's safe as long as Laura is around.

But when Laura and her family go out of town for a few days, Evie suddenly finds herself in unfamiliar surroundings. Laura couldn't have meant to leave Evie with the snooty Mrs. Vanderwaal, could she? Frightened, Evie makes a run for it, determined to find her way back to the bodega - even though she has no idea where she is. All she knows is that she's in a vast green park in the center of New York City.

That's when Evie meets the streetwise Bart, a stray Shiba Inu pup who is perfectly fine being on his own. He doesn't need an owner, thank you very much. Together, this unlikely duo embarks on a journey to cross Central Park, encountering countless tourists, dastardly dog catchers, and other animals. It's a long way, but if they can set aside their differences and work together, then maybe - just maybe - they can find their way home.

A Wish Novel: Meow or Never

Jazz Taylor

A heartwarming story of secret pets and secret crushes...and learning to take center stage!

Avery Williams can sing, but that doesn't mean she can sing *in front of people*. She likes to stay backstage at her new school, which is where, to her surprise, she finds a cat tucked away in a nook. Avery names the stray Phantom and visits any time she's feeling stressed (which is a lot these days).

As she sings to Phantom one day, her crush, Nic, overhears her and ropes Avery into auditioning for the school's musical. Despite her nerves, Avery lands the lead role!

She knows she should be excited, but Avery is mostly terrified. Can Phantom help her through her stage fright? And what will happen if anyone finds out about her secret pet?

fantasy novels by Suzanne Collins, The Hunger Games!

The Underland Chronicles #3: New Edition: Gregor and the Curse of the Warmbloods Suzanne Collins

With two prophecies fulfilled, Gregor is now focused on the Prophecy of Blood, which calls for Gregor and “the princess,” Boots, to return to the Underland to help ward off a plague. His mom agrees to let them go — on the condition that she travels with them.

When they arrive in the subterranean city, the plague is spreading — and one of Gregor’s family is stricken. Only then does he understand his role in the prophecy. He must summon all his power to end the biological warfare, or the warmblood creatures of the Underland will die.

Twelve-year-old Adrianna Villalobos and her older brother Feye travel the globe with their parents, the hosts of a suspenseful nature show called "Wild Survival!" The show features daring animal rescues and the work the family does at their animal sanctuary. They've recently gotten an offer to take the show from YouTube to a TV network, and Adrianna is thrilled. So far, she's always been behind the scenes, but now she gets to join the rest of her family onscreen. She can't wait to bring her passion for animals to a wider audience.

Their first stop is the lush mangrove forests of Cuba, where they're going to help rescue an injured crocodile. But things get off to a rocky start when Feye is injured in an accident partially caused by Adrianna. The status of the show is in jeopardy, and Adrianna's parents want her back behind the scenes, or maybe even back at home.

Adrianna is determined to prove herself, and save the show—whatever it takes. Even if that means confronting the legendary Mega Croc of Cuba that's rumored to inhabit the murky waters around their base camp.

My Fate According to the Butterfly

Gail D. Villanueva

Paperback
now available

When superstitious Sab sees a giant black butterfly, an omen of death, she knows that she's doomed! According to legend, she has one week before her fate catches up with her—on her 11th birthday. With her time running out, all she wants is to celebrate her birthday with her entire family. But her sister, Ate Nadine, stopped speaking to their father one year ago, and Sab doesn't even know why.

If Sab's going to get Ate Nadine and their father to reconcile, she'll have to overcome her fears—of her sister's anger, of leaving the bubble of her sheltered community, of her upcoming doom—and figure out the cause of their rift.

So Sab and her best friend Pepper start spying on Nadine and digging into their family's past to determine why, exactly, Nadine won't speak to their father. But Sab's adventures across Manila reveal truths about her family more difficult—and dangerous—than she ever anticipated.

Was the Butterfly right? Perhaps Sab is doomed after all!

Wildfire

Rodman Philbrick

Newbery Honor author Rodman Philbrick sends readers straight into the nightmare of a raging wildfire as 12-year-old Sam is trapped by explosive flames and deadly smoke that threaten to take his life. Can he survive?

Flames race toward Sam Castine's summer camp as evacuation buses are being loaded, but Sam runs back to get his phone. Suddenly, a flash of heat hits him as pine trees explode. Now a wall of fire separates Sam from his bus, and there's only one thing to do: Run for his life. Run or die.

Lungs burning, Sam's only goal is to keep moving. Drought has made the forest a tinderbox, and Sam struggles to remember survival tricks he learned from his late father. Then, when he least expects it, he encounters Delphy, an older girl who is also lost. Their unlikely friendship grows as they join forces to find civilization.

The pace never slows, and eventually flames surround Sam and Delphy on all sides. A powerful bond is forged that can only grow out of true hardship—as two true friends beat all odds and outwit one of the deadliest fires ever.

At the end of the novel, information about wildfires and useful safety tips add to the reader's understanding of one of the world's most dangerous natural disasters.

Red Rover

Christopher Krovatin

When Amy sees a dog stranded on the side of the highway, she knows what she has to do. She tells her dad to stop the car. She can't understand why anyone would abandon a dog in such a way, tied up and blindfolded. Amy's parents say they'll only keep the dog until they can find it a permanent home. Amy's younger sister names the dog Rover.

They take Rover into their house, their family. And once he's there...he doesn't want to leave.

Amy loves dogs. But she starts to worry when strange things start happening in the house. Objects move. Lights go off. Accidents happen.

Soon man's best friend has turned into Amy's worst nightmare. The problem isn't Rover's bark or his bite – it's even creepier than that. This dog's purpose is evil...and it's waiting to be unleashed.

Ghost in the Headlights

Lindsey Duga

When Brianna Jenson agreed to move in with her cruel uncle Shane in rural Pennsylvania, she didn't expect to find herself in the middle of a terrifying town legend.

Every afternoon on her walk home from school, as the sun begins to set behind the overhanging branches of Shadowrun Road, Brianna hears footsteps following her—footsteps that belong to no one. Then there's the car that races along the narrow country road with blinding lights and almost runs her over! That's when Brianna realizes... there's no one driving. It's almost as if someone—or something—is trying to get her attention.

As Brianna investigates what happened on Shadowrun Road, she discovers a town tragedy that has never been resolved. Can Brianna get to the bottom of this ghostly mystery before it's too late?

Resistance

Jennifer A. Nielsen

New York Times bestseller Jennifer A. Nielsen tells the extraordinary story of a Jewish girl's courageous efforts to resist the Nazis.

Chaya Lindner is a teenager living in Nazi-occupied Poland. Simply being Jewish places her in danger of being killed or sent to the camps. After her little sister is taken away, her younger brother disappears, and her parents all but give up hope, Chaya is determined to make a difference. Using forged papers and her fair features, Chaya becomes a courier and travels between the Jewish ghettos of Poland, smuggling food, papers, and even people.

Soon Chaya joins a resistance cell that runs raids on the Nazis' supplies. But after a mission goes terribly wrong, Chaya's network shatters. She is alone and unsure of where to go, until Esther, a member of her cell, finds her and delivers a message that chills Chaya to her core, and sends her on a journey toward an even larger uprising in the works—in the Warsaw Ghetto.

Though the Jewish resistance never had much of a chance against the Nazis, they were determined to save as many lives as possible, and to live—or die—with honor.

Resistance joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content!

Impostors

Scott Westerfeld

Deception. Risk. Betrayal. Redemption. Master storyteller Scott Westerfeld is at the top of his game, and back to his most famous realm. A *New York Times* bestseller.

Frey and Rafi are inseparable...two edges of the same knife. But only one of them is ever seen in public.

Frey is Rafi's twin sister-and her body double. Their powerful father has many enemies, and the world has grown dangerous as the old order falls apart. So while Rafi was raised to be the perfect daughter, Frey has been taught to kill. Her only purpose is to protect her sister, to sacrifice herself for Rafi if she must.

When her father sends Frey in Rafi's place as collateral in a precarious deal, she becomes the perfect impostor. But Col, the son of a rival leader, is getting close enough to spot the killer inside her...

Impostors #2: Shatter City

Scott Westerfeld

Cities at war. Identities stolen or hidden away. A love built on lies. In the second book of the *New York Times* bestselling *Impostors* series, nothing is certain and anything can be taken away.

When the world sees Frey, they think they see her twin sister, Rafi. Frey was raised to be Rafi's double, and now she's taken on the role...without anyone else knowing.

Her goal? To destroy the forces that created her.

But with the world watching and a rebellion rising, Frey is forced into a detour. Suddenly she is stranded on her own in Paz, a city where many of the citizens attempt to regulate their emotions through an interface on their arms. Paz is an easy place to get lost...and also an easy place to lose yourself.

As the city comes under a catastrophic attack, Frey must leave the shadows and enter the chaos of warfare—because there is no other way for her to find her missing sister and get her revenge against her murderous father.

The Dreamer Trilogy #1: Call Down the Hawk

Maggie Stiefvater

From the #1 *New York Times* bestselling author of *The Raven Boys*, a mesmerizing story of dreams and desires, death and destiny.

The dreamers walk among us...and so do the dreamed. Those who dream cannot stop dreaming—they can only try to control it. Those who are dreamed cannot have their own lives—they will sleep forever if their dreamers die.

And then there are those who are drawn to the dreamers. To use them. To trap them. To kill them before their dreams destroy us all.

Ronan Lynch is a dreamer. He can pull both curiosities and catastrophes out of his dreams and into his compromised reality.

Jordan Hennessy is a thief. The closer she comes to the dream object she is after, the more inextricably she becomes tied to it.

Carmen Farooq-Lane is a hunter. Her brother was a dreamer...and a killer. She has seen what dreaming can do to a person. And she has seen the damage that dreamers can do. But that is nothing compared to the destruction that is about to be unleashed...

The Light in Hidden Places

Sharon Cameron

The extraordinary story of Stefania Podgorska, a Polish teenager who chose bravery and humanity by hiding thirteen Jews in her attic during WWII—from #1 *New York Times* bestselling author Sharon Cameron.

One knock at the door, and Stefania has a choice to make...

It is 1943, and for four years, sixteen-year-old Stefania has been working for the Diamant family in their grocery store in Przemyśl, Poland, singing her way into their lives and hearts. She has even made a promise to one of their sons, Izio—a betrothal they must keep secret since she is Catholic and the Diamants are Jewish.

But everything changes when the German army invades Przemyśl. The Diamants are forced into the ghetto, and Stefania is alone in an occupied city, the only one left to care for Helena, her six-year-old sister. And then comes the knock at the door. Izio's brother Max has jumped off the train headed to a death camp. Stefania and Helena make the extraordinary decision to hide Max, and eventually twelve more Jews. Then they must wait, every day, for the next knock at the door, the one that will mean death. When the knock finally comes, it is two Nazi officers, requisitioning Stefania's house for the German army.

With two Nazis below, thirteen hidden Jews above, and a little sister by her side, Stefania has one more excruciating choice to make.

Jan

Hold Back the Tide

Melinda Salisbury

Here are the rules of living with a murderer.

One: Do not draw attention to yourself.

Of course, when you live with a murderer, this is impossible. Even the subtlest of spectres is bound to be noticed. Which leads to the next rule.

Two: If you can't be invisible, be useful.

Everyone in this quiet lakeside community knows that Alva's father killed her mother, all those years ago. There wasn't enough proof to arrest him, though, and with no other family, Alva's been forced to live with her mother's murderer, doing her best to survive until she can earn enough money to run away.

One of her chores is to monitor water levels in the loch—a task her father takes very seriously. Their family has been the guardian of the loch for generations. It's a cold, lonely task, and a few times, Alva can swear she feels someone watching her.

But the more Alva investigates, the more she realizes that the truth can be more monstrous than lies, and that you can never escape your past...

I Am Defiance

Jenni L. Walsh

Brigitte tries not to ask questions. They don't seem very welcome at her League of German Girls meetings, where she and her friends learn about their duties to Hitler's war effort.

But she can't help asking questions when a mysterious pamphlet appears in her mailbox: a pamphlet full of words like resistance and freedom, from a group that calls itself the White Rose. Brigitte's father and older sister, Angelika, seem to agree with the forbidden papers—an opinion that is dangerous even to whisper at home. And when Angelika becomes involved with secret resistance efforts, Brigitte's questions only bloom.

Could Angelika be connected to the White Rose? Is Brigitte's family in danger of being arrested? And if she chooses a side, will Brigitte be able to take a stand?

Muted

Tami Charles

For seventeen-year-old Denver, music is everything. Writing, performing, and her ultimate goal: escaping her very small, very white hometown.

So Denver is more than ready on the day she and her best friends Dali and Shak sing their way into the orbit of the biggest R&B star in the world, Sean "Mercury" Ellis. Merc gives them everything: parties, perks, wild nights—plus hours and hours in the recording studio. Even the painful sacrifices and the lies the girls have to tell are all worth it.

Until they're not.

Denver begins to realize that she's trapped in Merc's world, struggling to hold on to her own voice. As the dream turns into a nightmare, she must make a choice: lose her big break, or get broken.

Inspired by true events, *Muted* is a fearless exploration of the dark side of the music industry, the business of exploitation, how a girl's dreams can be used against her—and what it takes to fight back.

Rescue

Jennifer A. Nielsen

From *New York Times* bestselling author Jennifer A. Nielsen comes a thrilling World War II story of espionage and intrigue, as one girl races to save her father and aid the French resistance.

Six hundred and fifty-seven days ago, Meg Kenyon's father left their home in France to fight for the Allies in World War II, and that was the last time Meg saw him. Recently, she heard he was being held prisoner by the Nazis, a terrible sentence from which Meg fears he'll never return. All she has left of him are the codes he placed in a jar for her to decipher, an affectionate game the two of them shared. But the codes are running low, and soon there'll be nothing left of Papa for Meg to hold on to at all.

Suddenly, an impossible chance to save her father falls into Meg's lap. After following a trail of blood in the snow, Meg finds an injured British spy hiding in her grandmother's barn. Captain Stewart tells her that a family of German refugees must be guided across Nazi-occupied France to neutral Spain, whereupon one of them has promised to free Meg's father. Captain Stewart was meant to take that family on their journey, but too injured to complete the task himself, he offers it to Meg, along with a final code from Papa to help complete the mission—perhaps the most important and most difficult riddle she's received yet.

As the Nazis flood Meg's village in fierce pursuit, she accepts the duty and begins the trek across France. Leading strangers through treacherous territory, Meg faces danger and uncertainty at every turn, all the while struggling to crack her father's code. The message, as she unravels it, reveals secrets costly enough to risk the mission and even her own life. Can Meg solve the puzzle, rescue the family, and save her father?

Buster

Caleb Huett

Buster's a therapy dog who needs to take matters into his own paws to help a boy understand his own anxiety...even if it means breaking a few rules.

Buster's in big trouble. He's been dragged to Dog Court for breaking one of the most sacred dog rules: Never, ever talk to a human, or let a human know how smart you really are.

But he swears he had a good reason! The boy he's been taking care of, Tonio, needed his help in a big way. You see, Tonio is afraid all the time—afraid of saying or doing the wrong thing, afraid of making a fool of himself or (even worse) hurting someone else's feelings. His doctor thinks having a therapy dog will help his anxiety—and Buster wants to help. He really wants to help. Even if it means breaking the rules...

Wild River

Rodman Philbrick

Daniel Redmayne is fast asleep on the first night of a white water rafting trip, when he's awoken by screams. The dam has failed. The river is surging, and their camp will be underwater in a matter of moments.

As the shrieking roar of the river rushes closer, the kids scramble to higher ground. They make it; their counselors do not.

Now they're on their own, with barely any food or supplies, in the middle of the Montana wilderness. Do Daniel and his four classmates have what it takes to stay alive until they can be rescued? Alone in the wild, they forge powerful bonds—but develop dangerous disagreements. If nature doesn't break them, they might just destroy each other.

This gripping survival story from the Newbery Honor author of *Wildfire* is filled with adrenaline-pumping adventure and moments of true bravery.

Who's a good boy?

Twelve-year-old Parker Pitts hates a mess. Ever since his grandmother died, he's much more comfortable when things are organized: He scrubs the kitchen counters at home, avoids the school bully at all costs, and never even speaks to Gabriella Cortez, the most interesting girl in the sixth grade. No muss, no fuss, no complicated feelings to worry about.

But now Parker's older sister is traveling abroad for the semester, leaving behind her obnoxious and extremely disorderly goldendoodle, Boof, for Parker to manage. Man's best friend? More like boy's worst nightmare!

When an intense round of tug-of-war leaves both dog and boy with bumped heads, Parker and Boof wake up to the biggest disaster yet: they've switched bodies! Suddenly Boof has to find his way through a school day and Parker has to...eat dog food?!

It's a mess of truly epic proportions. Can Parker and Boof clean it up—together?

The Last Shadow Warrior

Sam Subity

Twelve-year-old Abby Beckett is proud to come from a long line of elite Viking warriors known as the Aesir. She's spent her entire life training to hunt the horrific creatures known as Grendels—the ancient foe of the Aesir—just like her mother did before she died. But there's just one, small problem: No one has seen a Grendel in centuries, and the Viking Council wants to disband the Aesir...forever.

When her father is injured in an attack that leaves him in a coma, Abby is forced to take refuge at Vale Hall, a mysterious school in Minnesota where nothing is quite as it seems. She soon discovers the tables have turned and a Grendel is hunting her, but when she tries to alert the Viking Council, they accuse her of making up stories for attention...just like her mother did.

Desperate to protect her father and clear her mother's name, Abby goes on a dangerous quest to discover the truth—a journey that brings her face-to-face with some unlikely foes, including a Ping-Pong-playing sea monster with a wicked backhand, and a dark Valkyrie with a fondness for bingo. Abby quickly realizes that someone at the school is trying to stop her progress and destroy the Aesir for good. And only she can unravel the sinister plot before it's too late.

Sugar and Spite

Gail D. Villanueva

Can a bully be defeated by a magical love potion?

Jolena can't take Claudine's bullying any longer! The taunts and teasing are too much. Though Jolena knows she's still in-training to use her grandfather's arbularyo magic, she sneaks into his potions lab to get her revenge. Jolena brews a batch of gayuma, a powerful love potion.

And it works. The love potion conquers Claudine's hateful nature. In fact, Claudine doesn't just stop bullying Jolena—now she wants to be Jolena's BFF and does everything and anything Jolena asks.

But magic comes with a cost, and bad intentions beget bad returns. Controlling another person's ability to love—or hate—will certainly have consequences. The magic demands payment, and it is about to come for Jolena in the form of a powerful storm...

Remedy

Eireann Corrigan

It's a mystery - why is Cara so sick? It feels like she's been sick all her life...but she and her mom have never stayed in one place long enough for doctors to really understand what's happening to her. Now, at fourteen, Cara is tired of being tired, and sick of being sick. She's trying to get better...but it's only getting worse.

Unable to afford the care she needs, Cara's mom starts a Caring for Cara campaign online. The money starts pouring in. But something's not right to Cara. And the harder she looks, the less she understands.

Impostors #3: Mirror's Edge

Scott Westerfeld

Rafi's return to the city of her birth isn't going to be an easy one. She and her love Col must surge on new faces and bodies in order to infiltrate Shreve by dropping from the sky and landing undetected. Rafi's sister Frey—no longer a twin in features, but still a twin by birth - is waiting with a rebel army outside.

Are the sisters on the same side...or are they playing to their own agendas? If their father is deposed from Shreve, who will take control? And what other forces may be waiting in the wings?

Mirror's Edge is another brilliant blockbuster from one of the greatest speculative writers YA fiction has ever seen, set within the world of *Uglies*... and about to converge with *Uglies* in a spectacular way.
