

Watch & Learn LIBRARY™

Videos are essential in teaching, sparking learning excitement. The *Watch & Learn Library*™, created by *Scholastic News*® and *Let's Find Out Magazines*®, offers teachers a user-friendly online collection of nonfiction videos to build knowledge, vocabulary, and introduce new concepts.

300+ nonfiction videos with real-world footage | Developmentally appropriate nonfiction videos aligning to science, social studies, and social-emotional curricula | Think Sheets to set a purpose for learning | Vocabulary Builder for each video | Closed captioning to support beginning readers and ELLs | Short, fun quizzes to gauge comprehension
