

COOTIE CATCHER

**What does your future hold?
Fold these fortune tellers to find out!**

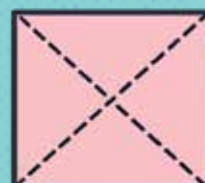

- 1** Tear out a Cootie Catcher on the next page, or use your own paper. Place the paper writing-side down on a flat surface.

- 2** Fold the paper into a triangle by bringing the bottom right corner to the upper left. Crease the paper, then unfold.

- 3** The dotted lines should still be facing up. Now bring the other two corners of the paper together and crease it again. Unfold the paper.

- 4** Now, fold each corner into the exact center of the paper, where the dotted lines meet.

- 5** The paper should look like this:

- 6** Flip the square over. Then fold each corner into the exact center of the square.

- 7** Your cootie catcher should look like this:

- 8** Fold the new square in half.

- 9** Unfold the square and fold it in half the other way.

- 10** Put your thumbs and pointer fingers in the pockets underneath the Cootie Catcher. Bring your fingers together so they're touching through the paper. Now you're ready to play!
