

# Harry Potter

## MAKE YOUR OWN WAND

You will need:

- Card or paper and tape OR twigs you have collected
- Colored markers OR paint
- Glue and environmentally friendly glitter

Making your wand:

1. If you are using card or paper, roll it tightly and tape it shut. Paint your wand brown
2. Use the colored markers and paint to decorate your wand
3. Time to add your wand core! Add glue to your wand and sprinkle glitter over it. Popular wand cores to choose from are unicorn hair, phoenix tail feather, and dragon heartstrings.

*My wand looks like this:*

My wand is made of:.....

Its magical core is:.....

My wand is particularly good for (Charms, Transfiguration, etc.):
