Express Yourself Activity

Graduation is a celebration of YOU—all of your accomplishments and who you are!

Choose an adjective to describe yourself and create your own t-shirt.

Fill in the message and decorate it however you like.

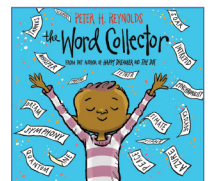

Graduation Collage

Words are magic. They have the power to express, connect, and transform. What words would you use to describe your past year at school?

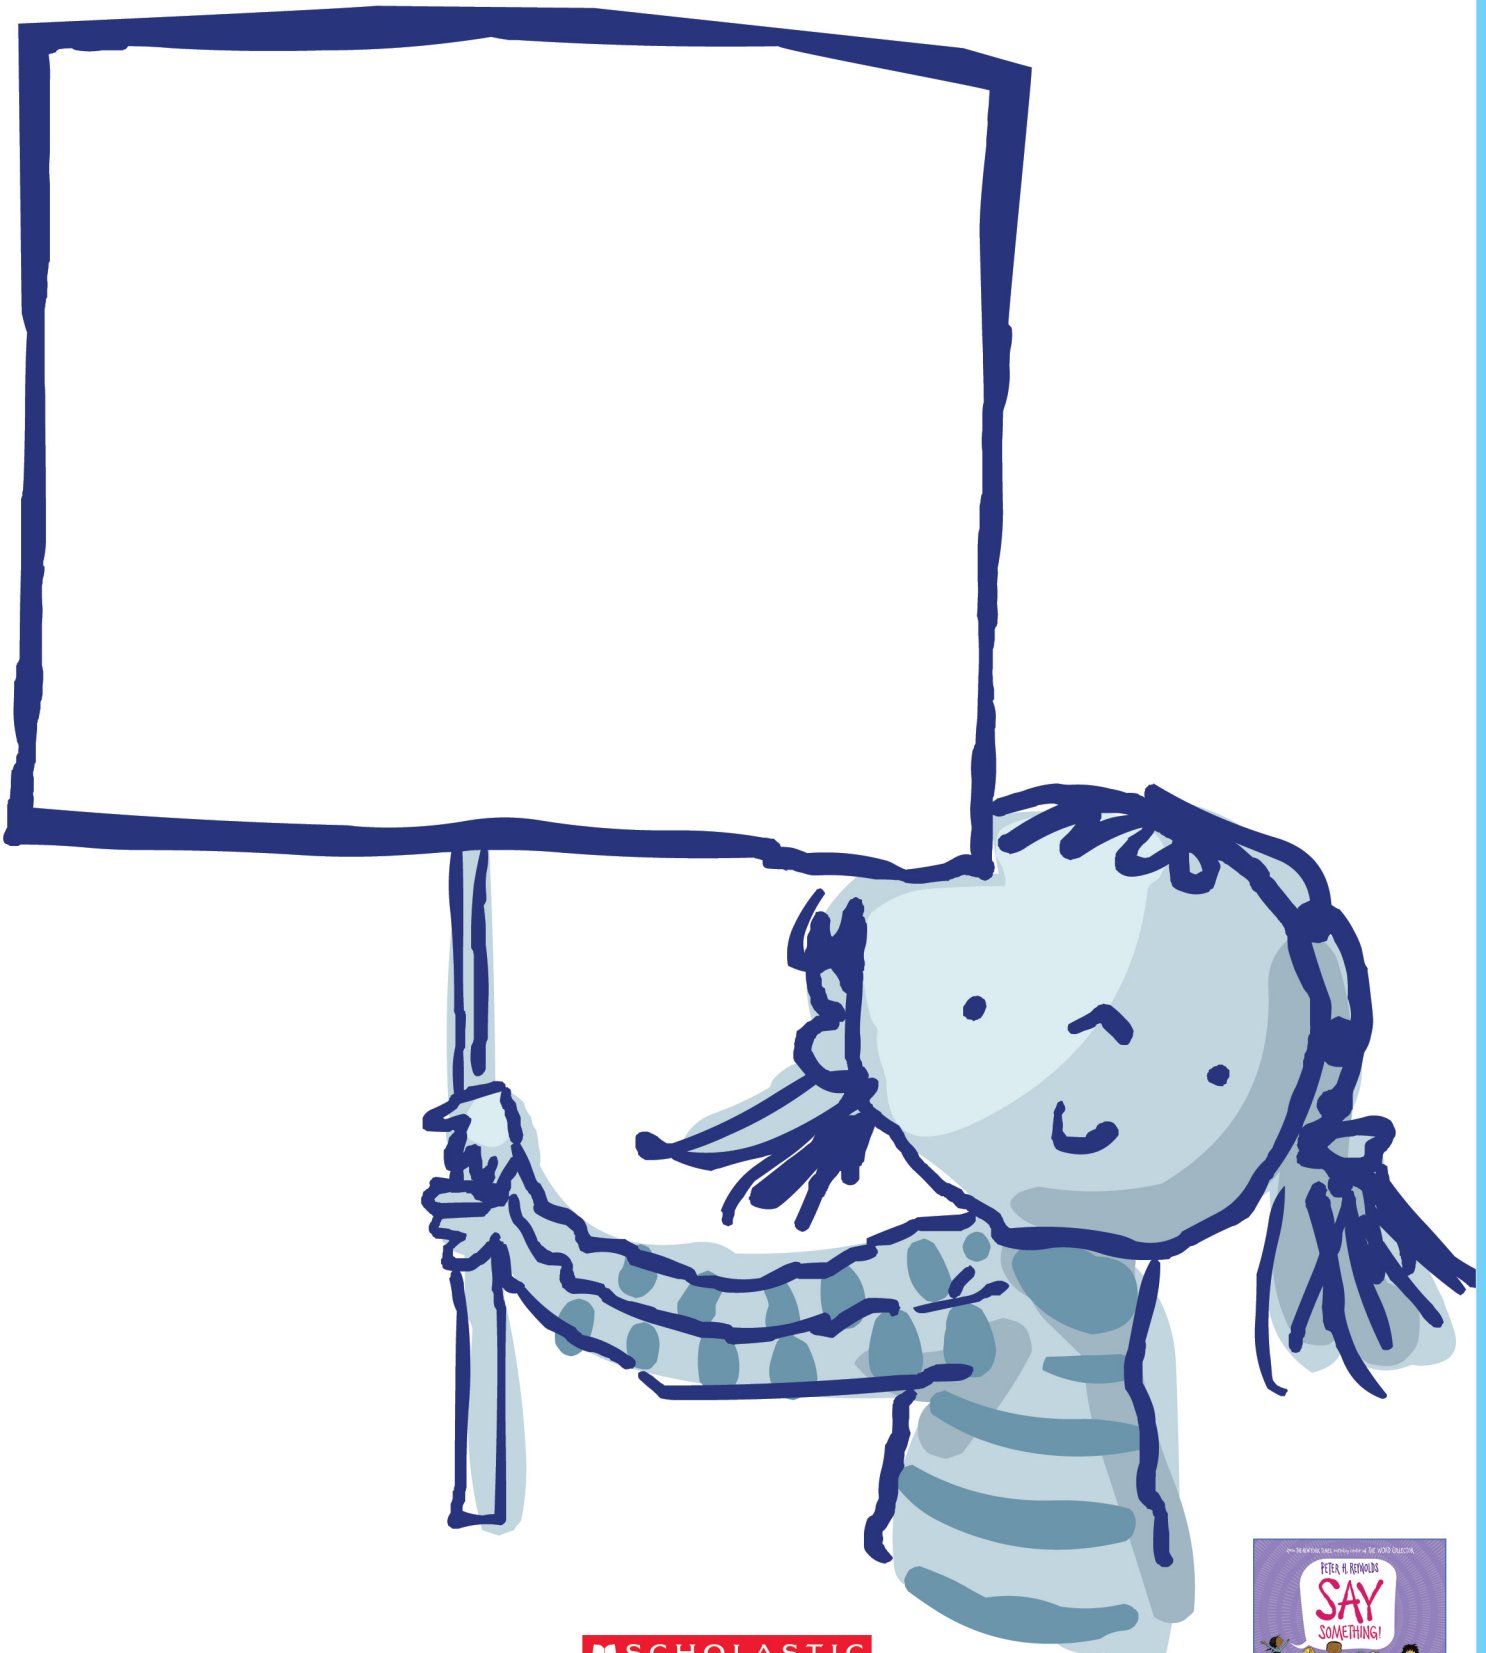

Here's what to do:

- Get supplies:
 - Poster board
 - Construction paper (cut into strips, with a grown-up's help)
- On each piece of paper, write down a word that describes your past year:
 - Your favorite subject
 - The name of your best friend
 - Something you're good at
 - Something you learned about
 - The name of your favorite teacher
 - How you feel about graduating
 - Your favorite hobby
 - Anything else!
- Tape or glue each one onto the poster board until you have a collage of words
- In the center, write your name and the date!

Graduation Sign

With your art and words, create a sign that expresses your hopes and dreams for next year.
