

# Before summer passes by...

Long days and warm nights,  
Exploring under the sun,  
Enjoying books and reading more  
Than you have ever done!

Summertime, a gift to readers  
Your reading piles high,  
So dig in now, open a book,  
Before summer passes by...

I can't wait to read... Book Title	Author	I read it! <input checked="" type="checkbox"/>
