

I SURVIVED

BOOK CLUB

Dear Librarians,

From the moment I started writing the I Survived series, more than ten years ago, it was the support of librarians like you that inspired me most. I am so grateful for all you do to put my books into the hands of your readers, and I'm hoping that this I Survived Book Club will help you engage kids (and families!) in new and exciting ways.

Each month I will choose a different book and present a range of videos and activities that will support readers both at home and at school. My videos will provide engagement, preview the book, and provide some background knowledge. The printable activities are designed to be fun and to support reading comprehension. There will also be opportunities for kids to win prizes and to connect with me on special virtual visits.

Thank you again for all you do to support young readers — and authors like me. I can't wait to work together!

With Warmest Wishes,

Lauren Tarshis
