Potluck Information Card

Please fill out this card about your contribution to the Multicultural Feast, and send it to school with your labeled food contribution to the Soiree. You do not need to send dishes that confirm to the special considerations listed – it’s not a problem if your recipe contains any of those items. However, if your food contribution does meet some of those considerations, use this card to let everybody know. Also, please remember that we are a peanut-free school. Thanks!
