Our Class Constitution of Community Values

As a class, we wrote our own **Class Constitution** today to establish classroom rules that will promote a “more perfect union” in our class. We adapted the preamble of the Constitution of the United States of America to fit our community. Here is what we decided:

In our class, all students participate in our “Excellent Choices” behavior plan based on our color chart and our *Class Constitution Values*. Students who choose to follow the class values will receive a star each day, and they will participate in the “Friday Reward.” If students choose to break a rule, they will receive a warning. Continued misbehavior will result in a consequence. If a student needs to reflect upon his or her behavior choices, he will be asked to complete a “Think Sheet” to help remedy the situation. Think Sheets need to be signed by a parent or guardian, in order to create a partnership between home and school in regards to behavioral expectations. I am confident that this behavior plan will ensure that every student finds our classroom a safe and comfortable environment in which to explore and learn. Please sign this page and return it with your child to school tomorrow.
