

Cheatin' Cheetah

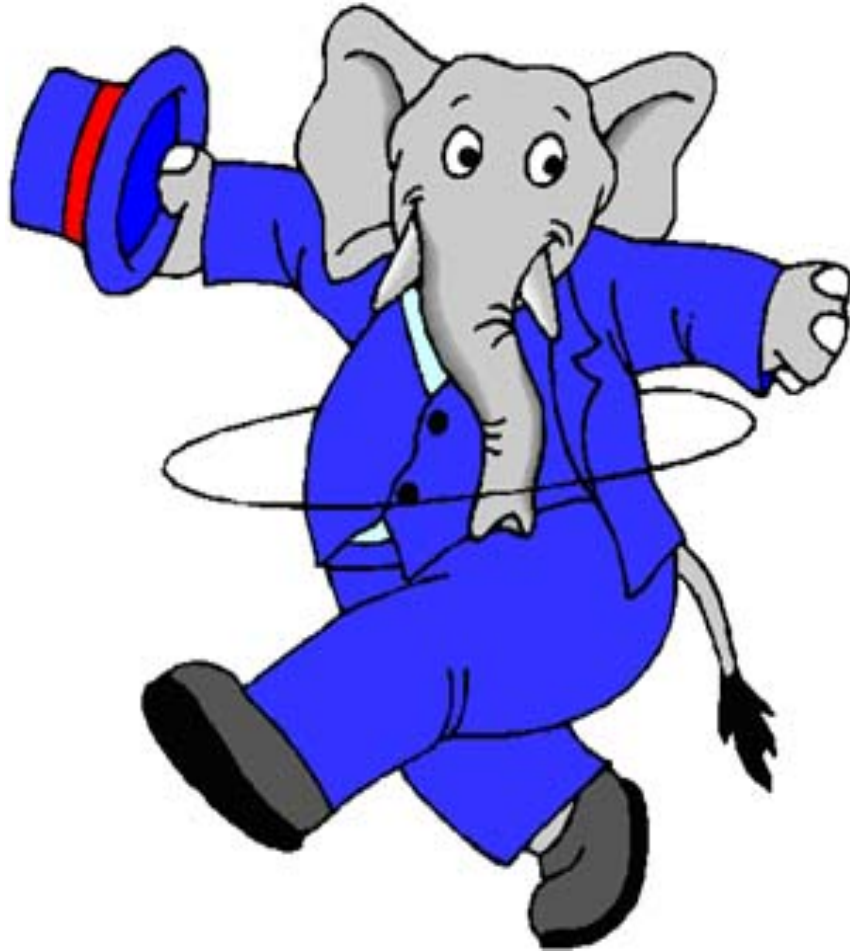

If you blast
through too fast
and you speed
when you read,
you're cheatin'
yourself of
meaning.

Just-Right Rabbit

If you hop along
in your oral
reading but take
time to "land and
understand,"
your book is just
right. You can **hear**
it with your **ears**.

Word Ending Elephant

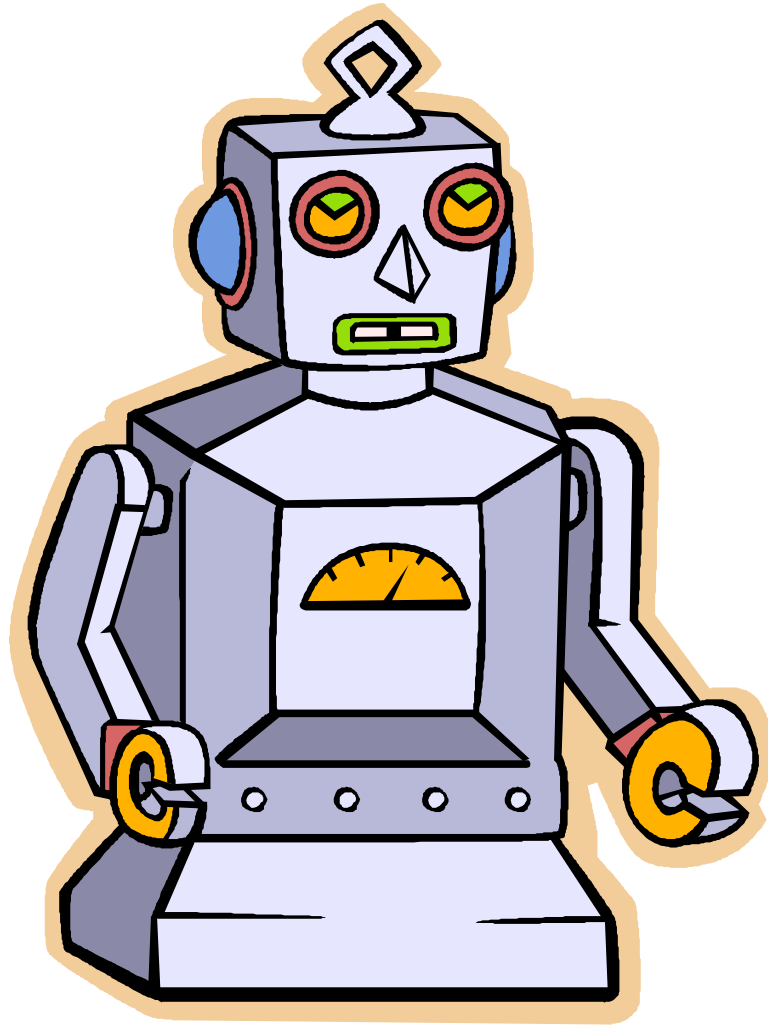

Just like an elephant, NEVER FORGET to read word endings like -ing, -ly, -er, -es, -ed, -ful, -est, -tion, -ment, -ous, and -y!

Pointer Penguin

Remember to
use your finger,
a bookmark, or
an eraser to
keep your place
and glide as you
read (like you are
on ice)!
