Showing vs. Telling

Example:

Telling: Sara was nervous about her piano recital Showing: As Sara stood backstage, she could feel her knees go weak. She wiped her palms against her velvet dress to remove the sweat that continued to collect. Her heart was pounding like keys on a piano as she went over the song she would be playing in her head.

NOW YOU GET TO TRY IT!

| lelling: | Drian | was | scared | to | go on | the | roller | coaster. |
