One day my pet __________ named ______________

kind of animal                                             animal's name

and I went to the __________________. When we got

place

there we saw a ____________________________

color word                                           something scary

I screamed but __________________ was

animal's name

brave and tried to protect me by

what did your animal do?

The ___________________ got angry and

something scary

what the something scary did
