

1. Create a poem in a circle.
2. Write about the four stages of a butterfly—egg, caterpillar, pupa inside a chrysalis, and butterfly!

Butterfly Cycle

1

Egg

Itty-bitty, teeny-weeny.
You have to squint to
even see me.
When I hatch,
I wonder what I'll be.

Caterpillar

When I change,
I wonder what I'll be.

2

4

Butterfly

A butterfly in flight!
That's what I'll be!

Pupa in a Chrysalis

When I change,
I wonder what
I'll be.
