Merry Christmas Marley! Thanks for the warning.

Money wasn't as good as this, lol!

Just scared the crap out of Scrooge. I hope he changes his way.

Waiting for my turn to get Scrooge.

I'm awake now!!

Just ghost-n around, lol!

Ha! Ha! I get all the money!

Yes, Bob, that was me. Gotcha!

I wish I was still alive.

Yay! One less boss to worry about! jk : )

Man...These chains are heavy.
