

Talk about your favorite part. What makes it your favorite? Find it in the book and tell me more.

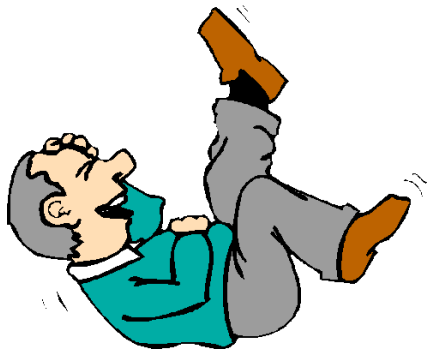

Retell the beginning, middle, and end. How could you change the ending?

Make a connection. Talk about something that is like you and something that is different from you. Is this book like another book you've read? How?

Who are the characters, and what do they do? How do they feel? How are they like you? How are they different?

Talk about the funniest part of the story. What did the author and/or illustrator do to make it funny?

How did you solve tricky words?

Did you read around the word? Did you use the picture? Did you look for a part you know? Did you find it in the room? Did you read all the way through it?

Crash!

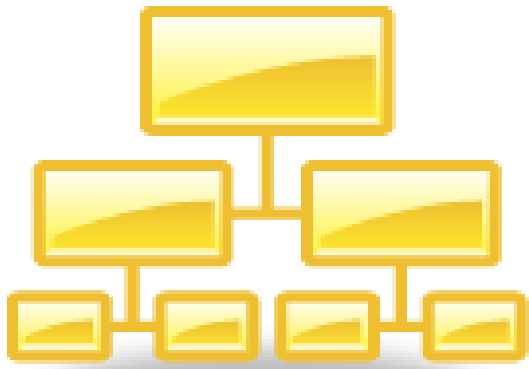

Smile

Did the author use anything that caught your attention? What was it? Why do you think they did that?

Talk about some facts you learned in this book. How did the author help you learn?

How did the author organize this book?
How might you have organized it differently?

Are there any special features in the book? What are they? Why do you think the author used them?

What lesson did the main character learn in this book? Talk about how you know.

Theme

Talk about the theme of this book. Do you know any other books with the same theme?
