200 West Mahoning Street, Suite 1,

Punxsutawney PA 15767

Dear Student Support Team,

Thank you for being available in our time of need. We need your help. Groundhog day is right around the corner and we want to be ready for Phil. Your prediction is needed. Will Phil see his shadow? Are we in for a long winter? We want to plan ahead.

The Punxsutawney Chamber of Commerce needs you to research the weather for us. Please observe, compare, and analyze weather patterns in our area in order to predict an outcome for February 2nd. Our weather team is actually unavailable at this time. Could you also send a weather report for us to share with the town?

Groundhog day depends on you! Please document your research and provide evidence for your findings. We want to keep an accurate record of your results.

Thank you in advance for your support. We look forward to seeing your research.

Kind Regards,

Phillip D. Hog
