

A wish this holiday,  
for a kid like me,  
is to get lots of toys,  
underneath the tree. (as far as I can see)

I'd love a \_\_\_\_\_,  
a \_\_\_\_\_ and a \_\_\_\_\_.

Or maybe even a \_\_\_\_\_ and a \_\_\_\_\_.

Of course I could wish for so much more.  
For things I'd love to have,  
but not from a store.  
These are things I cherish,  
and look forward to each day.  
Things I love about our family,  
that I might forget to say.

I love \_\_\_\_\_, and \_\_\_\_\_, and  
\_\_\_\_\_.

I love to \_\_\_\_\_ and \_\_\_\_\_ and  
\_\_\_\_\_.

If I could have only one wish  
comes true,  
what matters most,  
is spending time with you.
