

Limerick Template

Before you get started, brainstorm!

Choose the name of your subject.

Write down some ideas for your first line.

Create a list of words that rhyme with the last word in your first line.

Start your second line. Reminder, the last word needs to rhyme with line 1.

Write two lines that give more detail about your topic. *They need to rhyme with each other.

Write your final line. *It needs to rhyme with lines 1 and 2.

Write your completed limerick.
