

Project Reflection

Name: _____

Group: _____

Think about your group project and how you did as a learner. Write as much as you can as well as you can.

1. Tell what YOU did specifically for the group presentation
2. What do you feel like you did well?
3. Tell about something you learned from this project
4. How well did the other members of your group participate? Explain what each person did to contribute.
5. How might you do better on your next project?
