port

to carry

+

folio

page or leaf

**portfolio** (noun): a case or container that is portable, meaning you can carry it with you. It holds a collection of pages, your best work.

## Types of Portfolios

- **art portfolio** – contains collections of your best art
- **teaching portfolio** – a collection of a teacher's best work
- **senior portfolio** – a collection of a high school student's best work

## So, what is a reading and writing portfolio?

A reading and writing portfolio is a record of the books you have read and collection of your best writing.

## Interesting Facts

- 1) A page in a book was once referred to as a leaf in a book.
- 2) Shakespeare's First Folio contains a collection of William Shakespeare's plays.
