

**Guitar (similar to guitars seen in [Day of the Dead: A Bilingual Celebration](#))**

- Fold a brown paper in half vertically. Use the guide to draw a half guitar shape and cut it out.

- Cut long black strips from a black piece of paper. Attach as the neck of the guitar.

- Use a rectangle of brown to be the tuning peg area of the guitar.
- Have students trace and cut several size circles in various colors to be the sound hole on the guitar.
- Slice thin colored strips to be guitar strings.
