

Good Morning
Wonderful Students
Of Room 6!

"I left my friends for you to snack,
But I'll bet you never get me
back!"

Look for me where there are
shelves filled with lots of books!

Love,
The Gingerbread Man

(Go To The Library)

Run, Run, as fast as you can!
You can't catch me,
I'm The Gingerbread Man!

"I've had fun Reading LOTS of books you see.
BUT now I am gone, can't you see?"

You can't catch me,
I'm The Gingerbread Man!"

Look for me in a place
That's filled with LOTS of computers
And a Teacher whose name
Rhymes with radish (MRS. BRADISH)!

(Go To The Computer Lab)

Run, Run, as fast as you can!
You can't catch me,
I'm The Gingerbread Man!

"Wow! I had fun working & playing
On The computers, you see?
BUT now I am gone, can't you see?
You can't catch me!
I'm The Gingerbread Man!"
Look for me in a busy place
With LOTS of smiling & happy faces!
Here They answer The phones and
greet LOTS of kids and parents.

(Go To The Office)

Run, Run, as fast as you can!
You can't catch me,
I'm The Gingerbread Man!

"I've had fun answering phones
and greeting students, you see.
But now I am gone, can't you see?"

You can't catch me,
I'm The Gingerbread Man!"

Look for me in a place
Where The Leader of our school,
Sits at her desk and is really, really cool!

(Go To The Principal's Office)

Run, Run, as fast as you can!
You can't catch me,
I'm The Gingerbread Man!

"I've had fun Talking with The
Leader of YOUR school.
BUT now I am gone, can't you see?
You can't catch me,
I'm The Gingerbread Man!
This is The principal,
She's nice, you know!
She Told me NOT To RUN anymore,
BUT To walk wherever I go."

Go find me where yummy Lunches are made!

(Go To The Kitchen)

Run, Run, as fast as you can!
You can't catch me,
I'm The Gingerbread Man!

"I've had fun helping make yummy lunches, you
see.

BUT now I am gone, can't you see?
You can't catch me,
I'm The Gingerbread Man!

This is the kitchen and these ladies are the best!
They work hard to make sure
ALL the kids get lunch, like the rest!
This running around has made me
so tired as you can see,
Look for me in Room 6,
That's where I'll be!

(Go To our Classroom)

I've RUN and I've RUN,
And now I Think I need some REST!
I Think MRS. CARTER'S ROOM
Is The VERY best!

Love,
The Gingerbread Man
