### **Step One:** Gather Culture Clues!

Using the Padlet, read through the interview questions and answers and analyze the photographs. Write down ANYTHING you think may be a clue to a certain culture or country. Examples: Names, foods, traditions, stories, etc.

### **If You Have Extra Time!**

1. Google three things on your list that you do not know about (names of games, food, or cities) and write down what you learn in the table. **Highlight it in yellow so I know to give you extra points!**
2. Look through the list. How many things do you have in common with Ms. Forster? Make a list of all the things you have in common with Ms. Forster and her family below:
