Directions for lesson:

I Predict...	I Notice...	I Wonder...
<p>-We are going to looking at some pictures today that will help us understand how communities change over the years. Some of the pictures are from many years ago and others are from this week.</p> <p>-What do you predict you might see in the pictures? (Make a list in this box.)</p> <p>-Share your predictions: partner, class, etc.</p>	<p>-As you look at the pictures, list some of the things you notice in this box.</p> <p>-Share a few after each picture as a class.</p> <p>-Listen and add to your list.</p>	<p>-Write 2 “I Wonder” statements to discuss with the class, partner, group, etc.</p> <p>-Listen and add to your list.</p>

Use your notes to write a statement telling something you learned.
