## FEATHER

My name is Feather. I am a young cat who has used up at least one of my nine lives. Now, I'm ready to give the rest of my lives to you. Like all great felines, I jump and pounce, and I can give you a gentle head butt when you need it., but what makes me really special is that I'm a good friend. With me by your side, you'll never be lonely or run out of hope. I will always be at your side. Come see me at Furry Friends Animal Shelter and take me home.

## Spike

Hi, my name is Spike! I am a small black-and-white terrier mix that loves tug-of-war and my stuffed panda. I also enjoy breakfast, lunch, and dinner. I was brought in by my former family because they thought I was too wild. Since coming to the shelter, I've learned to channel my energy into tricks! If you have friends over for dinner, I can shake their hands and roll over for them. My only dislikes are fleas, empty water bowls, and rainy days when I can't go outside and chase squirrels! Visit Furry Friends Animal Shelter and take a chance on me!

## Lemon

Don't let the name fool you. Lemons may be sour, but I'm as sweet as they come. I am a three-month-old male cat that came to the shelter with my siblings when we were just weeks old. I am as shiny yellow as a gold coin in your pocket or an ear of corn on your plate. I like to start my day with a saucer of milk and end it with a good scratch behind the ears. No need to add sugar to this lemon! Please visit me at Furry Friends Animal Shelter and take me home today!

## Cinder

My name is Cinder and I am a one-year-old female rottweiler. Before I came to the Furry Friends Animal Shelter, I lived my life on a chain. I spent most of my days sad, hoping someone would play with me or show me some kindness. I'm missing a piece of my ear and tail, but I can still listen when you want to talk and I can still wag my tail whenever you are near. I am shy about meeting new people, but once I get to know and trust you, I will be your most loyal friend. Please visit me at Furry Friends Animal Shelter and take me home!
