## *Milly and the Macy's Parade*

### **Read & Reflect: Exploring Similes**

During the holiday season, Milly says Macy's department store "was like a giant present waiting to be unwrapped!"

Similes are a way of describing something by comparing it with something else. A simile uses the words *like* or *as* to compare two unlike things. Here's another example:

My pillow is as soft as a cloud.

To complete these similes, draw a line from the beginning to the matching ending.
