

Date: _____

Dear Parents,

We have been reading many versions of The Gingerbread Man in class and retelling the story. We even made our own Gingerbread Friends. Help me to retell the story using my Gingerbread Friend.

I will draw a picture below of one part of the story and bring it back to school to share. Afterwards, I can keep my Gingerbread Friend at home. Please help me write about my picture too and then write down what I say.

Sincerely,

name of student
