### **Questions and Answers**

Please develop three questions that you believe should be answered about the public policy issue that you have chosen to influence. After you write each question, consider how you could find the answer to the question. Then, try and find the answer.

Question 1:

---

---

---

Possible source for answer to question:

---

---

---

Information obtained from doing this research:

---

---

---

Question 2:

---

---

---

Possible source for answer to question:

---

---

---

Information obtained from doing this research:

---

---

---

Question 3:

---

---

---

Possible source for answer to question:

---

---

---

Information obtained from doing this research:

---

---
