A Writer's Interview

Below are some questions that will help us learn how people use writing in their lives. Do an interview with someone you know. Ask him/her these questions, and write down his/her responses.

Name of person being interviewed: _____

1. Do you keep a personal writing journal? (If yes, how often do you write in it?)

2. How else do you use writing during your day? (Try to get at least three ways.)

3. Why do you think writing is important?
