**BIG ACTIVITY: Take Me to Your Leader!**

What do you think an extraterrestrial being might look like? Draw a picture of an alien in the spaceship below. Then write its name, where it lives, and its special features.

Name: __________________________________________

Date: ___________________

Home Planet or Galaxy: __________________________________________

Special Features:
1. ____________________________________________________________
2. ____________________________________________________________
3. ____________________________________________________________
