

# GET TO KNOW A STATE!

## STUDENT WORKSHEET

There are 50 states in the United States, and every one is different! Some can be freezing cold, while some can be blazing hot. Our people are just as different as our climates, with many cultures and languages seen throughout the country. Let's explore one of our great states!

**Directions:** Choose a state to explore and write its name below. Next, research information about your state. Use your research to answer the questions below.

My state: \_\_\_\_\_

The capital of my state is: \_\_\_\_\_

My state borders these other states: \_\_\_\_\_

\_\_\_\_\_

My state bird is the: \_\_\_\_\_

My state joined the United States in the year: \_\_\_\_\_

My state is interesting because: \_\_\_\_\_

\_\_\_\_\_
