Send a Letter, Make a Friend!

Writing to a pen pal is like a conversation with a friend. Instead of speaking out loud, pen pals send letters. When writing your letter, make sure you ask questions and also share your own ideas. Use this sheet to plan your letter.

**About Your Pen Pal**

Write three questions that you want to ask your pen pal.

1. __________________________________________
   __________________________________________
   __________________________________________
   __________________________________________

2. __________________________________________
   __________________________________________
   __________________________________________
   __________________________________________

3. __________________________________________
   __________________________________________
   __________________________________________
   __________________________________________

**About You**

Write three things that you want to share about yourself with your pen pal.

1. __________________________________________
   __________________________________________
   __________________________________________
   __________________________________________

2. __________________________________________
   __________________________________________
   __________________________________________
   __________________________________________

3. __________________________________________
   __________________________________________
   __________________________________________
   __________________________________________
