

# Teddy Grahams

Teddy's  
Problem Solvers

# Picnic

## Where's Teddy?

### What You Do:

Place three empty cups upside down on a clean, flat surface. Hide a Teddy Graham under one of the cups, making sure your child sees where Teddy is hiding. Instruct your child to watch the cup with Teddy under it and then slowly rearrange the order of the cups. Can your child guess where Teddy is now? Play again, taking turns hiding Teddy and guessing.

### Your Child Will Learn:

- Hand-eye coordination
- Problem solving

### What You Need:

- 3 empty paper cups
- Teddy Grahams

**Sensible Solution**

- 5g Whole Grain
- Good Source of Calcium
- 0mg Cholesterol

PER SERVING

## What comes Next

### What You Do:

Help your child build early math skills with this pairs-and-patterns activity. Complete the series of patterns across the page then count and tally the number of images in each pattern. How many did you find of each?

### What's Missing in each row?

	Pattern	Tallies
	<input type="text"/>	<input type="text"/>
	<input type="text"/>	<input type="text"/>
	<input type="text"/>	<input type="text"/>
	<input type="text"/>	<input type="text"/>

### Your Child Will Learn:

- Sequencing
- Pattern Recognition
- Matching
- Problem Solving

Answers: row 1. bird, 3 tallies; row 2. mushroom, 3 tallies; row 3. bus, 4 tallies; row 4. truck, 2 tallies.
