

on THE GO!

At school, your child has been practicing friendship skills. Extend the learning at home with this fun activity inspired by Cory Carson's family and his pals. Help your child figure out the type of vehicle in each picture—then let them color them in!

TAKE IT OUTSIDE!

- Next time you're on the go, encourage your kids to look for cars of every color, as well as helicopters, firetrucks, and other vehicles!
- Then build vocabulary and observation skills by asking them what they notice about each vehicle.
- For each vehicle, think of other words that start with the same letter sound (example: car/cat).
