

Dear Parent,

I am excited to announce that we are using Scholastic's Knowledge Quest! program. These Read-Aloud Collections cover many topics, and we are currently exploring **What's in the Sky?** for PreK-K.

What can you do at home?

Read aloud with your child for at least 20 minutes each day! It's a quick and easy way to help build in-depth knowledge and vocabulary. **The School-to-Home Connection Packs** and **ePacks** correlate with the collection we are currently using in class. These packs, each including two books and a fun activity, offer wonderful opportunities for you to help support your child's school success.

What's in the Sky? Pack

Visit scholastic.com/knowledgequest to discover:

- The School-to-Home Connection Packs and ePacks
- The full Read-Aloud Collections we are using in class
- FREE vocabulary lists, activities, art, and incentives to get kids reading more

What is the Knowledge Quest! program?

Delightful book collections about engaging topics for toddlers through grade 4. These collections:

- Are developed by experts to support learning
- Contain engaging nonfiction and fiction books that reinforce content
- Come with a guidebook, including fun activities that target Common Core State Standards and Next Generation Science Standards
- Get inquisitive minds working on their knowledge quest to learn more!

Learning is fun with Knowledge Quest! With your support at home, we can partner to improve your child's literacy skills and college and career readiness.

Sincerely,

What's in the Sky? ePack
