Can You Find It?

Mira the Royal Detective uses her observation skills to follow clues and solve a case. Practice critical thinking with your child by reading the following clues aloud and working together to find the correct answers.

1. Find something that **feels soft** and comes from a bird.
2. Find two similar things that have **leaves** and **branches**.
3. Find an animal that has **four legs** and is **too big** to fit in a house.
4. Find something that detectives **hold** and **look through** to see better.
5. Find an animal that is **furry** and **has whiskers**. (Answer: a mongoose.)
