Hi, I am Sarah Mlynowski and I love reading books because it gives me super powers. My journey to becoming a reading superhero started when I was seven. I remember one of my favorite books of all time was a book I read about witches and reading it made me feel magical. I think I got it from a garage sale and I must have read it 13 times. I realized then that reading gave me super powers to do and go anywhere. Today, I have the superpower to choose ANY book I want. Sometimes I pick up a book that takes me back in time to when my parents were kids, or travel to places I have never been before such as Atlantis. But nothing is better than reading during the summer when I can grab my favorite cookies, put on my favorite slippers and escape to my special reading nook. I don't know about you, but this summer I can't wait to read books about strong girls as they make me want to save the world. That's my story on how I became a reading superhero.
