

Dear Teacher,

I would like to place an online order and help you build your classroom library with Scholastic Reading Club.

To be able to place my online order, I will need your **5-Digit Class Code**.

Once I connect to you online, I can purchase books from the flyers you send home—as well as from thousands of other kid-favorite titles. Every order earns Bonus Points and FREE rewards for your classroom.

Thank you for your help.

Sincerely,
