

TEXAS: Austin/Texas Hill Country activity

BIG BOOTS TO FILL

If you see lots of cowboy boots, hats, and other western gear, you must be in Austin, Texas, and the nearby Texas Hill Country. Design your own pair of western-style boots filled with images of your trip to the area. Did you hear some good music in Austin? Be sure to draw a guitar or banjo on your boot leather. Did you eat some amazing BBQ? Put a plate of ribs on your shoes. Pin your finished design up on your bulletin board at home to remind you of the boot stompin' fun you had in Texas.
