If My Dad Were a Dog

With unfussy photos of a great big slobber-happy Labrador set against cheerful, simple, primary-colored backgrounds, If My Dad Were a Dog playfully explores, in rhyming text, just what would happen if this wish of every young child came true.

When I Grow Up

Leonid Gore

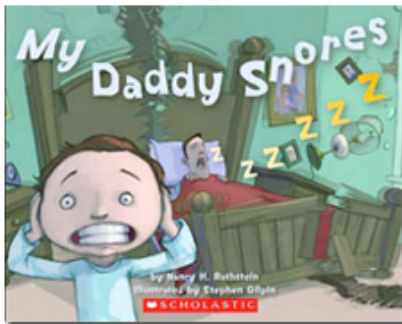

"What will I be when I grow up?" asks a little boy. The world around him supplies inspiring answers: A raindrop grows up to be a fast-running river. A green shoot grows up to be a tall and mighty tree. A shadow grows up to be a gentle night full of dreams. In the end, the boy's greatest inspiration comes from the simplest of sources: his father's love.
