

Animal Fun for the Family!

In the movie *Dolittle*, Doctor Dolittle talks to animals. But in real life, we have to interpret their nonverbal clues to figure out what they're trying to "say." With your family, brainstorm how these animal pals might communicate with body language—then share behaviors you've observed in your own family members!

Communication Clues

When **Jip the dog** is happy,
he _____

When I am happy, I _____

When **Plimpton the ostrich**
is scared, he _____

When my sister or brother is
scared, they _____

When **Yoshi the polar bear**
is cold, he _____

When my parent is cold,
they _____
